Nissan Forklift

Nissan Forklift Training Ontario - Nissan Motor Co. Ltd prides itself on reaching total client fulfillment when enjoying one of their car, truck or forklift products. They are committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan Forklifts supply many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Committed to offering customer support, the business has four distinct production facilities that permit them to persistently adapt to their clients continually evolving requirements by providing an array of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and procedures that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients demand while being an environmentally responsive corporation.

Nissan is fairly certain that any of their customer's questions and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community sanctioned dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
